Accessories made of PET felt

The se:lab product family is supplemented by accessories and add-ons made of form fleece. The sustainable material is made from recycled PET bottles, is 100% recyclable and contributes to a sustainable product life cycle.

All PET felt elements are available in light grey or anthracite.

se:lab tray – optional drawer

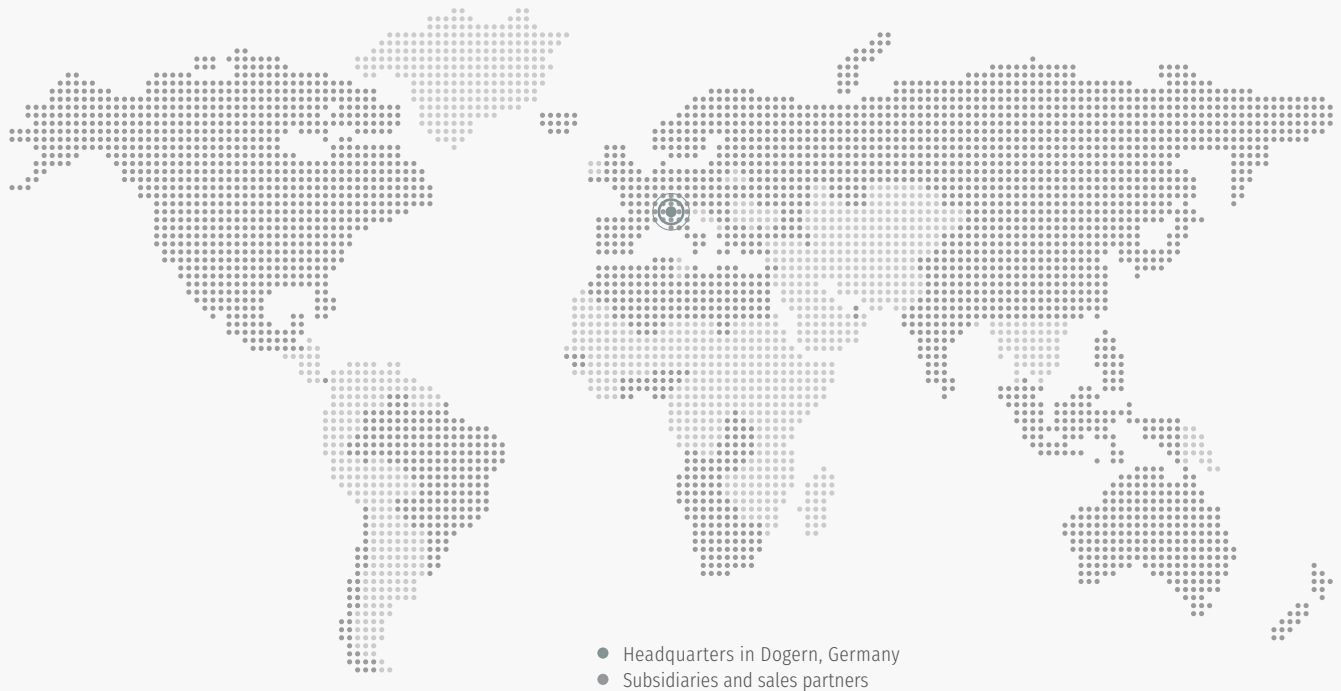

The PET felt drawer with metal casing can be mounted below any table top and provides uncomplicated storage space for pens, pads and smartphones – also ideal as an addition to meeting tables.
