Color Inspiration Guide

Color and Comfort for All

Design trends often reflect how the world is evolving. How we work and our needs for unique, welcoming workspaces—from the office to home and third places—are driving change and new ways of thinking.

With the introduction of Zody II, we've added six mesh color options that play on that evolution and new thinking. Globally relevant and universally appealing, these rich colors were chosen for their easy compatibility with all the latest color trends as well as more traditional palettes. They float effortlessly across multiple applications and design platforms, highlighting and coordinating with other furniture pieces.

Browse through the following palettes for ideas in pairing the latest colors of Zody II's airy, breathable, durable mesh back with a variety of seat upholstery—and get inspired.

Bringing Fashion to Furniture

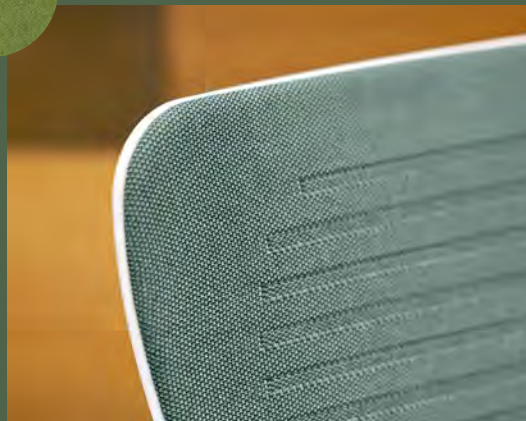

The refined coziness of your favorite sweater. The support and style of the latest running shoe. The sustainability of a knit-to-fit. Haworth Digital Knits combine it all. We apply the advanced knitting technology used in fashion to create beautiful patterns from soft, durable, bleach-cleanable fibers that bring breathable comfort into the workplace—whether in the office or at home.

The Zody II knit back task chair features a horizontal pattern stitched and tensioned to precise specifications, for no waste during manufacturing. The contemporary knit design and mélange yarn add inviting warmth to this proven, high-performance ergonomic chair. Zody II's signature knit back is available in five colors, offering combinations that range from subtle to stunning when paired with a variety of available seat upholstery.
