

Very Task

With models and options to support a variety of task and collaborative needs, Very works to bring consistency throughout an organisation. Featuring chairs perfect for corner offices, conferencing, cafeterias, medical centres, classrooms —and all points in between — Very can operate in a wide range of environments. Very seating is easy on the environment. The chairs are manufactured using recycled content and offer a high degree of recyclability at the end of life.

Features

- Award-winning, global seating family
- Contains up to 34% recycled content and up to 99% recyclable materials
